WHAT I MAKE

- 01 **A tutorial reel with your product**
- 02 **A feature in a Codex episode**
- 03 **A short cinematic spot**
- 04 **A carousel**

HOW IT WORKS

- | | |
|----------------|--|
| Brief | You tell me what your tool does and who it's for. |
| Concept | I plan the idea and the shots, and you approve them. |
| Film | I make it, and you see it before it goes live. |
| Post | It goes up on @core.aivision with a guide people can save. |
